*Cell Phone - increase the amount from \$25 to \$50 for monthly allowance

*Retiree Health Insurance - delete the 65% as that amount is 50% for any employee hired after January 1, 2014. Add "Medicaid" to "Employee is not eligible for Medicare"

*Vacation - delete the section that allowed employees during the first six (6) months to borrow vacation pay to reflect current practice of pro-rating vacation hours from the hire date

Staff recommends that the Commission approve the Employee Handbook Policy revisions as presented.
